Klubbens omdöme på en skala 1 – 5, 1 = "sisådär" och 5 = "toppen":

Alec Bradley Black Market cigars, unveiled at the 2011 IPCPR Trade Show, contain a unique, four country blend of premium tobaccos.

Alec Bradley started with Honduran Jamastran and Panamanian long fillers held together with a Sumatra binder, and then completed the blend with a well-aged, dark brown Nicaraguan Jalapa wrapper.

The Black Market is then packaged in an outstanding, prohibition style crate box of 22 cigars.

This medium-bodied, ultra-premium cigar delivers smooth and creamy smoke and notes of spice with a sweet and enjoyable finish. With Alec Bradley's tremendous success over the last few years, we are sure these will be a hit.
