Klubbens omdöme på en skala 1 - 5, 1 = "sisådär" och 5 = "toppen":

Caldwell Cigar Co. has had the Gibraltar, Murcias, and Sevillana lines in the past. After discontinuing the "Junior Varsity" line it is time for a rebirthing.

The Iberian Express has been born. These cigars are no longer in the backseat.

This now premium line boasts some of the best tobaccos that could be found. The Gibraltar Extra has a wrapper from Ecuador, a Dominican binder, and a filler blend of Dominican, Nicaraguan, and U.S. tobaccos. The Murcias Especial features a Brazilian wrapper, a Dominican binder, and Dominican and Nicaraguan fillers. The Sevillana Reserva will feature an Ecuadorian Connecticut wrapper, a Dominican binder, and a combination of Nicaragua and Dominican filler.
